María José San Román

Inspired by the Mediterranean

Chef María José San Román has led Monastrell since 1996. An ambassador for the Mediterranean diet, she creates cuisine rooted in local produce, the seasons and the surrounding landscape. Her work has earned a **Michelin Star, two Repsol Suns, the Sustainable Sun Award and the Gold Medal for Merit in the Fine Arts**. She has also been invited by the Spanish Royal Familiy to cook at official events.

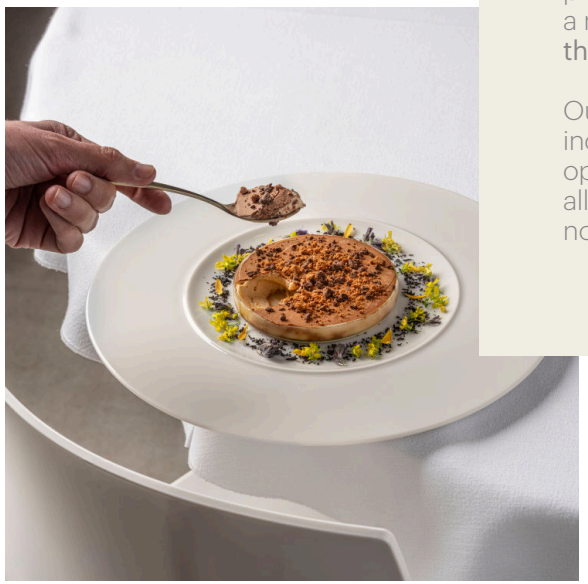

Her Mediterranean outlook inspires every menu we create for weddings, celebrations and corporate events.

A menu shaped
around your occasion

We design each menu around the event, its format, the season and your guests' preferences. Whether you are planning a seated lunch or dinner, a cocktail reception or a mix of formats, **we shape the food and service around the flow of your celebration**.

Our menus feature local, seasonal produce and can include wines, cocktails and live cooking stations, with options for adults and children. We can also cater for allergies, intolerances and dietary requirements when notified in advance.
